# double hung windows

bradnams enhanced living

Licensed Manufacturer

**Bradnam's**  
windows & doors

A part of Bradnams **Essentials** range of windows and doors

With an adjustable top and bottom hung sash, Bradnams **double hung window** provides superior climate control performance, allowing you to direct air through the top, bottom, or both sashes together.

The double hung window is also available with one fixed sash providing extra security and safety if required.

Thanks to the innovative smooth action balance system, Bradnams double hung windows open and close effortlessly.

select window with a **high performance option**

## features and benefits

Choosing the right energy efficient product is made easy with Bradnams online do-it-yourself **5 STAR WADS™** (Window and Door Selector). Go to [bradnams.com.au](http://bradnams.com.au)

**Solar Block™** is ideally suited to locations where keeping out heat, glare and damaging UV rays are a priority. Just like having sunglasses on your home.

**Solar Comfort™** is the perfect choice for keeping comfortable temperatures all year round, despite the outside extremes. Spend less on heating and cooling your home and help the environment.

**Sound Smart™** is a system that reduces external noise. By simply installing the right window and door system, you can 'turn down' the sound to far more comfortable levels.

**Solar Secure™** is approximately 20 times harder to break through than ordinary glass, making it an ideal invisible and economical home security barrier.

**Solar Sound n Secure™** offers comfort, safety and acoustic high performance in one window. Ideal for residential, high rise and commercial applications.
